Please note that the above assessment represents VETASSESS' considered view of the comparability of your post-secondary qualification(s) to the Australian qualification standard required for your occupation. VETASSESS will normally only assess to the minimum standard required. Skill assessments are not an assessment of a person's suitability for employment, the quality of their work or the likely success or otherwise of obtaining Australian residency status. VETASSESS bases the above assessment on documents provided by the applicant. All reasonable efforts are made to confirm the authenticity of these documents.
