

May 2022

To whom it may concern,

Santiago Vela worked at our Melbourne campus as a Trainer and Assessor between August 22nd, 2016, to 10th August 2017.

During that time Santiago was responsible for running Lectures, Foundational Skills classes, and general support classes for our Diploma of International Business (BSB50815) and CIV – International Trade (BSB41115), as well as providing administrative support through marking written assessments and observation of presentations and role-plays.

Our students are a diverse group of international students, often requiring special considerations and care.

Feel free to contact me anytime on 03 8595 8480,

Yours faithfully,

Adam Swiatowy
