

## Employment Verification Letter

Clariden Global Pte. Ltd.  
Singapore

To Whom It May Concern,

This letter serves to verify that Mr. Santiago Vela Gomez was engaged by Clariden Global Pte Ltd, headquartered in Singapore, between 2018 and 2020 as a Subject Matter Expert and Faculty Director, contracted from Australia. During this period, Mr. Vela Gomez collaborated with Clariden Global on a project basis, contributing to the design, facilitation, and modernization of several executive education programs delivered across Singapore and Australia. His expertise supported Clariden's mission of providing forward-thinking professional learning programs for senior executives and public-sector leaders throughout the Asia-Pacific region.

Mr. Vela Gomez's responsibilities included:

- Designing and facilitating AI- and data-driven learning modules that introduced professionals to the use of artificial intelligence (AI), predictive analytics, and education technology (EdTech) for strategic decision-making and continuous learning.
- Leading masterclasses and panels across major Clariden Global programs, including:
  1. Advanced Predictive and Augmented Analytics with Business Intelligence
    - I. Sydney, Australia – 26–27 November 2018
    - II. Melbourne, Australia – 29–30 November 2018
    - III. Singapore – 3–4 December 2018
  2. AI, Advanced Analytics & Chatbots for Customer Experience and Marketing Forum – Melbourne, 2019
  3. 2nd Customer Experience and Marketing with AI, Advanced Analytics & Chatbots Forum – Sydney, 2019
  4. Digital Transformation and Leadership in the Fourth Industrial Revolution Forum – Melbourne, 2020
- Advising Clariden Global's program development team on aligning executive education content with emerging technological competency standards and professional capability-building needs.
- Introducing interactive analytics tools, AI-based simulation exercises, and digital dashboards that enhanced participant engagement and measurable learning outcomes.

As a Subject Matter Expert and Faculty Director, Mr. Vela Gomez played a central role in supporting Clariden Global's transition toward a technology-enabled executive education model, integrating AI and EdTech into professional learning experiences. Clariden Global highly valued Mr. Vela Gomez's

professionalism, expertise, and lasting contribution to advancing innovation in executive education and training across the Asia–Pacific region.

Sincerely,
